Some one has resurrected the tellowing from the Charlotte Democrat of August 6th, 1861: Some time ago we had occasion to notice the fact that sounds similar to the discharge of heavy artillery were heard in various parts of this section, especially along the Catawba river. Similar sounds were heard at Morganton and Concord week before last. The days on which these noises were heard were clear and bright, and it is well known that no cannon were fired within fifty miles of heard the sounds at Morganton, informs us that it was very much like the successive reports of cannon. What was it, and who can explain the mystery?

missioners, or rather the Radical last meeting of the General Assembly, they failed, and Pamlico, taking ad-

From the Savannah News Woman's Rights in Florida. OCALA, FLA., May 15, 1874.

Editor Morning News: You seldom get anything from this part of the moral vineyard, notwithstanding your paper is more generally read here than any other. You have very frequently alluded to the condialso been the subjects of editorials on trouble was between an old black man and his wife. Yours truly,

How to Furnish a Parlor.

Give them the money, and to most people this would appear a very simknacks and so much French plate: tion" of Scott. These would represent their ideas to most. A few, more ambitious, would require the walls to be decorated with pictures, and perhaps, some superbly bound albums and "poets" on the what-not or center table. M. Taine deduces many of the characteristics of the English nation from the furniture of an average English bed room. If we take the average American parlor to be a corresponding index of American character, I am afraid the impression made would not be altogether flattering to our national vanity. Too many sofas and easy chairs, too much

crowding of articles of vertu and conveniencies for luxurious ease of body, too much addressed merely the eye and the senses, and too little to waken thought and The cotton crop seems to be coming appeal to our inner selves and our higher life. There can be no objection ty, and some of the farmers are chop- to Brussels and rosewood from any point of view where they are in correspondence with the owner's means. The point is, that they are not all—they are not half of the proper furnishing of a room. It may be furnished well and artistically, and say more for the taste and culture of the inhabitants without either of those adjuncts. I At a Convention of the Eighth Judi- have in my mind's eye now a parlor cial District, held at Winston, on without any carpet whatever, which Tuesday last, Thos. J. Wilson, of Forsyth, was nominated for Judge and which outshines in the best purposes Joseph Dobson, of Surry, for Solicit- of a parlor many a luxurious and gild-

The house is a new one, built on to the old one, and made a part of it, as heart's content. The fire companies I think it is good for new houses to be where the old one is at all worthy and has associations. In that case it gives dignity and interest to the new outgrowth. The new part is completed, well planed and well built, painted and plastered and waiting now for the young girls for whose pleasure and convenience the fond father and mother have made some additions, to show their hand in n the furnishing and other decora-

Just at this crisis there comes a oinch in the money matters, for our riends are not millionaires. Prudent papa shuts up the purse for a season. We cannot go into heavy outlay this year nor maybe next. Meanwhile the girls are yet at school. There needs no hurry. What money I have to spare this year for their benefit I shall put neither in carpets nor curtains. I can do better for them than that. So awhile unfurnished, so to speak, but every time I go there I see creeping in little bits that are very indicative of what we shall see by and by, when cotton is again at 18 cents, or by'r lady 20 cents. The bare floors are of beautiful native pine. The walls are The parlor is never used except in The Raleigh Crescent says: The warm weather, Mama's old parlor is

terprise: wherefore he prays for an so many years ago, warranted not to injunction. Judge Watts granted the have come over in the Mayflower. On injunction until next term of our this repose some periodicals—an al bum and a portfolio of engravings. It is usual for the family friends to speak of this parlor as "unfurnished " They say when the girls leave school it shall be furnished. But I declare I think it is now a perfectly tasteful, and per-Sec. 'v pleasant room in summer. The book-ase does the farnishing. The minute I go into that room the bookcase steps forward and gives the whole apartment as air of high breeding and luxury, I find myself in the best company, and the crowd is agtually increasing. There is Knight's Shakespeare, and there, too, is the places. An old naval officer who Verplanck's edition, with the mothers maiden name written in it in the handwriting of Paterfamilias. Let us obserfully wager it was a love-token, Anno Domino, 1854. Here are all De Quincey's brown volumes as issued by Tick-The Newbernian says: We learn nor. caused by allowing the bowels to become con-stipated, and the system to remain in a disor detect condition, until the disorder has time to develop itself. An ounce of prevention is worth a pound of cure, is an old and truthful saying Therefore, we advise all who are treubled with the complaints now very prevalent—headache, i-digestion, disordered liver, want of appetite, nausea, or feverish skin, to take, without d lay, Schenck's Mandrake Pills. We know of no remedy so has micss and decisive in its action. It at once strikes at the root of the disease and produces a healthy tone to the system. People never need suffer from any disease arising from large lots, at importers' prices, by applying to the Special Agency just establish-ed for the purpose of delivering Genuine Pea disordered condition of the liver if they would take this excellent medicine when they feel the first indication of the ma'ady. Families leaving home for the summer months should take delicately tinted. The windows, guilt-less of curtains or even shades, are less of Rocky Mts. 178,140,000,000 guns on the guarantee of private indi-viduals. I applied to Governor Coke, at Austin for a least of Rocky Mts. 70,000,000,000 guns on the guarantee of private indi-three or four boxes of these pills with them application to at Austin, for a battery, but he positively refused to let me have it.
